1100 - 1145 **Session 1 - "Traveling Your Road"**

When traveling the road of life, we must use our "GPS" to get directions for road-side assistance along the way. Some of our roads seem to be "closed", but we are encouraged by other sisters in the faith, so we can break through those "dead ends."

1145 - 1230 **Session 2 - "If You Can Take It, You Can Make It"**

It is said that we are either in a test, coming out of a test, or getting ready to go into the next one. We can see them as opportunities for growth. God's word gives us clear and encouraging steps to help us understand and persevere.
